This advice covers the fortnight ending 14 August 2026.
Your wage for the fortnight came to 2900.00, plus 300.00 for tools, so 3200.00 all up before tax.
We held back 512.00 for the ATO and put 200.00 into your super by salary sacrifice.
That left 2488.00, which landed in your account on 15 August 2026.
